## Gamma Iota Zeta Chapter Members Celebrate 102 Years, Donate to Various Chattanooga Area Organizations

Members of Gamma Iota Zeta Chapter had a very busy and cold weekend in January carrying out service projects and helping those in need. For their Project for Men, they generously donated 200 items to include hats, socks, hand warmers, and toothbrushes. Their Project for Women provided donations of over 100 personal care items to residents at the Partnership-FCA Domestic Violence facility as well as a \$100 monetary contribution. The members continued their generosity with a variety of donations to the Community Kitchen and provided over 30 pillows for the comfort and well-being of residents at the Davis Retirement and Assisted Living Facility.
