Loving & Caring Decisions With Felicia

Hello again, I hope that everyone had a great week and that all the mothers out there had a fantastic Mother's Day.

This week I would like to talk about military services/funerals. Here at Advantage Funeral & Cremation Services-Franklin-Strickland Chapel we honor and support all active duty and veterans of the armed forces.

I am asked on a regular basis about what the military provides to a deceased veteran; with many people thinking that the military pays for absolutely everything, from all the funeral charges to the cemetery charges.

However, that is not the case; as long as the veteran is 'Honorable Discharged' (as would state on the DD-214 form), then we can proceed. The military provides the burial space at a National Cemetery, opening and closing of said burial space and the outer burial container the casket is placed into. This also applies to the spouse of the veteran and any

dependent/disabled children. In the State of Tennessee the veteran (only) also gets 3 free death certificates. A flag is also provided.

For cremated remains, the same applies for burial or inurnment.

Here at Advantage Funeral & Cremation Services-Franklin-Strickland Chapel we have a variety of pamphlets and information concerning military and other services. You can stop by to see us and we would be honored to provide you with any other information that fits your needs.

I know that there are still a number of questions that you may have concerning all the services that we offer. Please feel free to call or email us with any additional questions or concerns.

Have a great week everyone! Also, thanks for the uplifting and encouraging phone calls I received last week, you are greatly appreciated.

As always I look forward to hearing from all of you; keep the

questions coming!

Please remember to 'share' and 'like' our Facebook page.
