Join Good Neighbors, Incorporated in Celebrating 70 Years of Service

Hamilton County, TN - Good Neighbors, Incorporated will celebrate 70 years of service on August 27, 2022, at First Baptist Church of Washington Hills with doors opening at 3:00 pm. The keynote speaker of the celebration and commemoration will be Carolyn Lawhorn (AARP) along with a musical performance from gospel artist, Jasmine Le'Shea.

The event is free and open to the public; tax deductible donations and contributions are welcomed and may be made online at www.goodneighborschattanooga.org.

The organization was founded in 1952 when Dr. William and Mrs. Maudette Whiteside realized the urgent call for helping the community in ways that did not exist. They, along with many dedicated members, established Good Neighbors, Incorporated as a vehicle to immediately serve families in need. From then to present day, Good Neighbors, Incorporated has continued to provide WNOO radio ministries; in-home services for the elderly and disabled; affordable housing; food vouchers and assistance with rent, prescriptions, and utilities throughout Tennessee, Georgia and Alabama.

Multicultural Communities in Donation and Transplantation

More than **100,000** people are waiting for lifesaving organ transplants.

Nearly **60%** of the national transplant waiting list are from multicultural communities.

28% African American/Black
21% Hispanic/Latinx
9% Asian Pacific Islander
<1% American Indian/Alaska Native
<1% Multiracial Descent

Did You Know?

Transplants can be successful regardless of the ethnicity of the donor and recipient. However, the chance of longer-term survival may be greater if the donor and recipient are closely matched in terms of their shared genetic background.

More than **41,000** organ transplants from **20,300** donors brought new life to patients and their families in 2021.

Community	Recipients	Donors
African American/Black	9,253	2,581
Hispanic/Latinx	7,499	3,109
Asian Pacific Islander	2,620	664
Multiracial Descent	304	153
American Indian/Alaska Native	323	117

*Includes deceased and living donors

More than **85,600** corneal transplants help to restore sight each year.

More than **2.5** million tissue transplants heal lives each year.

Thank you to all donors, donor families, registered donors and champions of the Donate Life cause. Support across multicultural communities contributed to a milestone year of lives saved and healed!

What can I do to increase organ, eye and tissue donation in my community?
